

# TALENT2030

## NATIONAL ENGINEERING COMPETITION FOR GIRLS

Powered by

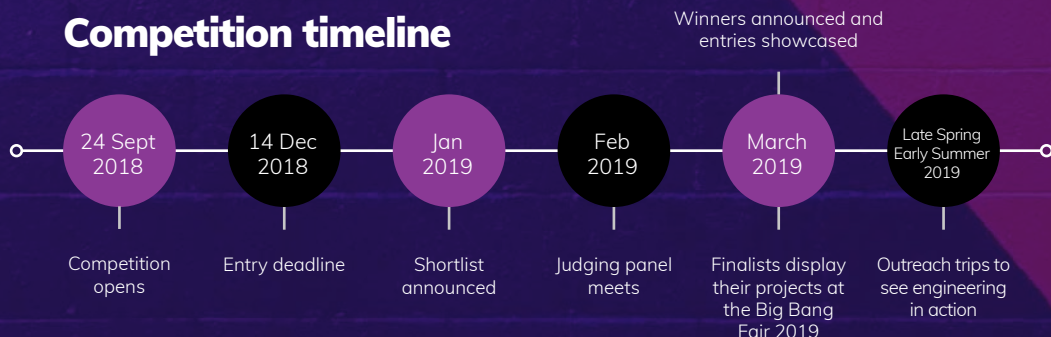

**WIN  
£1,000  
FOR YOU AND  
YOUR SCHOOL**

Be part of a project to increase the number of women in science and engineering!

The competition asks girls aged 11-18 to research an engineering challenge and submit projects and unique designs to solve the challenge. See what exciting opportunities engineering has to offer!

### Competition timeline
